1) Avoid using your main personal WhatsApp account for bulk messaging. Consider using a new account or Use virtual numbers for bulk sending. You can find virtual numbers at -

https://netbrux.com/nb/tmp-nmbr

2) Avoid sending more than 600 messages per hour. Bulk WhatsApp Sender has a capping option to control message sending. For more, read **Anti Ban tips**

3) Ensure you **only send** messages to **opt-in users, respecting their consent**.
